

# Getting Started

## Generac University

### Registering for an account.

- 1) Go to [www.generac.com/university](http://www.generac.com/university)
  - a) Please do not create a duplicate account.
  - b) Every tech needs their own account with a **unique primary email**.  
(An optional secondary email can be provided and receive the same notification emails that the primary email receives.)

- 2) Click **Create a New Account/Register**

- 3) Fill in your information, then click submit.

- a) If you have a Dealer Number, you will need to enter the leading 0's but NOT the 1002.  
Example: 0011113567

You will receive an email with your Username when you click **create an account**.
